Framework coverage

So far, 8[1] of NACE Career Readiness Competencies's 8[1] competencies have at least one primary link from an activity or badge. Coverage is reported per framework, against that framework's own published size; frameworks are never ranked against each other.

NACE Career Readiness Competencies

8[1] of 8[1] competencies carry a primary link (100 %[1]); 0[1] carry supporting links only or as well.

Per competency: primary and supporting links from activities and badges, evidence types produced, and crosswalks. An empty row is a real gap, shown in place.
