Evidence and verification

Each kind of evidence has one verification route, and each route has a status: live routes run today, planned and proposed ones do not. The live-demonstration route exists only in the Verified Skills Record concept and is marked as a proposal.

Verification routes

Every evidence type, its artefact, route and status.

Evidence	Artefact	Route	Status
Attendance confirmation	Confirmation that the student attended a session or event.	event check in	live
Attestation	A checkbox or statement the student acknowledges or agrees to.	event check in	live
Coach approval	A coach's confirmation recorded at or after a check-in.	coach confirmation	live
External link	A URL the student supplies (profile, portfolio, published work).	auto checked upload	live
File upload	A file the student uploads as proof (artifact, screenshot, document).	auto checked upload	live
Automatic verification	312 completion record (attendance, checklist item, integrated form submission)	event check in	planned
External Validation verification	Supervisor evaluation, certification exam pass, or formal third-party letter	provider certificate	live
Peer Assessment verification	Presentation to cohort or peer review record	live demonstration	live
Portfolio-Based verification	Student-submitted evidence and reflection	staff review	live
Part A / Part B rubric	Part A proof (attendance, hours, artifact) plus, for major experiences, a 150-375-word reflection	coach confirmation	live
Reflection text	Written reflection text reviewed against the Part B rubric.	staff review	live
Wild Card proposal	Wild Card proposal with named skills, hours plan and verifier	staff review	live
